To whom it may concern,

Hi, I am Eaint Thazin Myint. I would like to apply for Senior Frontend Developer position in your organization.

I am currently working as a Senior Frontend Developer in rgo47 Ecommerce in Myanmar. I have over 3 years of experience in Frontend development with Javascript frameworks. I worked for a digital agency as well and provided services for major leading telecom such as Telenor Myanmar in the past.

Sincerely,

Eaint Thazin Myint
